

FAMICOS FOUNDATION

IMPACT FACT SHEET (2014-2018)

ABOUT FAMICOS

Famicos' mission is to improve the quality of life in the Cleveland area through neighborhood revitalization, affordable housing and integrated social services.

Over forty-five years ago, Famicos Foundation began as a volunteer charity that provided basic needs of food, clothing and shelter to families. We empower residents to create an engaged, vibrant, diverse, healthy neighborhood, where residents choose to stay, invest, and help shape a "neighborhood of choice."

Today we have created over 1,000 apartments and homes for those most in need: low wage-earning families, seniors, the chronically homeless and those with disabilities. Our resident and neighborhood services are tailored to meet varied needs and include, but are not limited to: case management, food distribution, health and wellness screenings, emergency utility assistance and home repair, foreclosure prevention, education, and youth development.
