NHP IMPACT STORIES

FINDING THE WAY HOME THROUGH AFFORDABLE HOUSING

Clarice is raising two granddaughters and wanted a secure and stable home for them. When working with our staff, she was elated to find out that with a little hard work of her own, she could purchase a new home through Neighborhood Housing Partnership and The Fuller Center programs. Now she has the security, stability and peace of mind only owning a home can offer.

REALIZING THE AMERICAN DREAM OF HOMEOWNERSHIP

Our clients work hard to reach their goals and we are proud of all our new homeowners! Thomas, a young construction worker and drummer, was just starting out. He knew he needed a road map, so he decided to take our Homebuyer Education class. With the help of our staff, he laid out a personalized step-by-step plan to buying his first home. Now he is enjoying a place of his own and building wealth for his future.

“Neighborhood Housing Partnership has the staff, the resources and the funds to jump start any homebuying process. It’s a true helping hand.”

Thomas Sheward, Homebuyer Education Course Graduate, Down Payment Recipient and First Time Homebuyer
